**Invitation for expressions of interest - Shared eCargo Bike Scheme for independent businesses**

Wandsworth Council is inviting local businesses to get in touch to express interest in a shared eCargo bike scheme.

The scheme will be ideally suited for local businesses and organisations who would like to benefit from an eCargo bike but who may have issues with storage space, concerns about costs, or be unsure as to whether it will meet their needs.

For more information, including how to express interest and help shape the scheme, please see the attached poster. The deadline for expressions of interest is 30 June 2021.

Please respond to the council directly. You can find the email address on the poster here:
