Competent Persons Scheme – feedback sought from The National Counter Terrorism Security Office

The National Counter Terrorism Security Office (NaCTSO) – is undertaking an important research survey relating to a proposed **Competent Persons Scheme** for people in positions of responsibility concerning security. **Please see the letter attached for greater detail.**

To participate in the survey (please see the link at the bottom of this email and in the attached letter) the contact within the business must be:

EITHER:

- A person responsible for determining and/or implementing appropriate security practices within an organisation. This may be a business owner, senior manager, or more security-specific role such as a Security Manager or Operations Manager etc. (= **persons in a workplace**). The research is as relevant for smaller organisations as it is for larger organisations, across all **non-security sectors** (*for security sector, see below*)

OR

- A person who provides technical advice to businesses in matters relating to protective security/preparedness, whether this be in a contractor or consultant capacity (= **Security Advisors**). *They may be self-employed / freelance / consulting.... but if they are employed (they run or work for a security business), this survey should only be completed by any in-house Security Advisors that they have (or external Security Advisors that you use)*

Your business organisation will not be named in the report and any information received will be treated confidentially.

Please **complete the 15-minute survey**
